# Himalayan Edible Salt

**HIMALAYAN SALT** is 100% Pure, Unscented, Untreated and a gift of Nature to human beings. This Himalayan Salt is a marvelous dietary supplement that looks and tastes fantastic.

It is rich in trace minerals and it's mined from underground seams of salt deposits in the unpolluted foothills of the Himalayan Mountains. It has been highly regarded for health reasons for a very long time and is also now appreciated by discerning cooks.

Pink Himalayan salt is often said to be the most beneficial as well as the cleanest salt available on this planet today.

It has all kinds of nutritional and therapeutic properties & culinary uses.

You can use it as a healthier option to processed salt. You can also use it to create homemade body scrubs and bath soaks, and you may have seen or own a Himalayan salt lamp made from pink Himalayan salt.

## *Himalayan Salt has many health benefits for human body such as;*

- Improves Respiratory Problems
- Balances Body's pH
- Natural Digestive Aid
- Air Purifier
- Better Sleep Inducer
- Regulation of the water levels within the body for proper overall functioning
- Helping reduce common signs of aging
- Encouraging healthy blood sugar levels
- Promoting cellular energy creation
- Reducing cramping (like leg cramps)
- Improving the absorption of nutrients from foods
- Aiding vascular health
- Lowering the incidence of sinus problems and promoting overall sinus health
- Providing circulatory support
- Improving bone strength
- Fostering a healthy libido
- Promoting kidney and gallbladder health in comparison to chemically treated table salt

# Himalayan Animal Licking Salt

Offering Best Himalayan Mineral Salt for your Animals

A 550 million old Himalayan Rock Salt for Animals, Mined from ancient Himalayan Mountains of Pakistan, And These Salt Licks must be the purest form of salt available. The distinctive pink color comes from the salts mineral content Such as Iron, potassium and magnesium, which are vital for maintaining health of Cows/sheep/goats horses, all have a very well defined appetite for sodium chloride (SALT) only surpassed by the need for water. Because the majorities of plants do not provide sufficient sodium for the livestock/horses needs and may lack adequate chloride, salt supplementation is a vital part of any animal's nutritional requirement

# Rock Salt for Commercial And Industrial Uses

RSC : 01

Oil Refinery grade salt ,Rock Salt for Meraux units for sweetening of Jet fuel

Over the past decade the use of expandable concentric under reamers or "whole openers" in Deep water drilling has become widespread. An estimated 75% of the salt/sub Salt sections in the Go now use under reamers. There are various reasons to Enlarge a hole, including enhancing equivalent circulating density, to reduce Cementing pressures, and to counter salt creep so casing will reach bottom.

Under reamers are especially important in deep water wells that require Numerous casing strings

RSC : 02

Deicing salt / Road salt 2 – 10 mm High purity salt

When applied to snow or ice, salt lowers the melting point of the Mixture.

Thus, large amounts are used in Northern climates to rid streets of Accumulated snow and ice
